Part I

General Information

2 General Information

3 Terrain

4 Weather

5 Snowpack and Avalanches

Turnagain Pass has a maritime snowpack, receiving hundreds of inches of snow (and often, rain) a year.

The local avalanche center is CNFAIC (Chugach National Forest Avalanche Information Center).

Part II

Areas

6 Areas Overview

Explore the map above to find an area to study.

7 Eddie's

8 Tincan

Tincan is the most popular area in Turnagain Pass, and one of the most popular areas in all of Alaska.

9 Sunburst

10 Magnum

11 Lipps
